

## LOCAL MATTERS.

We would be glad to receive the roll of members in every Democratic Club in Anderson County, for the purpose of publishing them in the *Intelligencer*. We propose to begin this publication in March, and hope that every Club will send us a copy of its roll by its delegates to the County Convention. This publication will contain the name of every Democrat in Anderson County, and will be a roll of honor which will probably be printed in pamphlet form and distributed over the whole County. Every Democrat, white or colored, should at once see that his name is entered on the list of some Democratic Club, in order that he may be distinguished from the Radicals, who are still seeking to ruin our country.

## BRIEF MENTION.

Cotter—Middling, 10 cents.

A good second-hand Sunday School Library can be bought at very reasonable rates by applying to L. P. Smith.

Rev. W. H. Strickland will preach in the Baptist Church at this place on Sunday morning, February 17th, upon the subject of "Future Punishment."

We are requested to give notice that there will be a meeting of Hall Township Cavalry company, at the Carwell Institute, on Saturday next, at 2 p. m. Members are urged to attend, as business of importance will be transacted.

We would ask attention to the advertisement of Mr. P. Garreck, which appears elsewhere. Mr. Garreck has opened a shoe shop here for the manufacture of all styles of boots and shoes. Read his advertisement and give him a call.

The Town Council have erected neat lamps along Depot Street, and every night they are kept burning to direct the footsteps of travelers to and from the Depot. It is a very great improvement. These lamps have also been erected in several other prominent parts of the town.

We would call attention to the advertisement of the Map of Anderson County. Capt. Pegh has spent much of his time in its preparation, and has produced a map which is very complete, and will be of great value to any person desiring to acquaint himself with the County of Anderson. Every citizen of the County should have one of these maps.

Prof. W. H. Duncan, of Wofford College, Spartanburg, spent a few days last week on a visit to Rev. H. F. Christberg in Anderson. On Sabbath morning he preached an able sermon in the Methodist Church, and on the evening of that day he delivered a splendid lecture in the same church upon the subject of "Education." Prof. Duncan is an able scholar and a most noble gentleman.

A mounted military company was organized at Anderson, in Martin township, on last Saturday with the following officers: Captain, R. B. A. Robinson; Lieutenants, N. A. McDavid, John D. King, James W. Keaton; Sergeants, John R. Drake, John L. Hall, M. J. McDavid, John N. Pennell, R. R. Keaton; Corporals, R. A. Keaton, J. D. Simmons, R. F. McDavid, P. A. Strickland.

The Flat Rock Democratic Club will meet to reorganize for the coming campaign at Flat Rock Church on Saturday, the 16th inst., at two o'clock p. m., instead of on the second Saturday, as heretofore announced. After the Club meeting, a mounted military company will be formed. A full attendance of all the citizens of the township is earnestly requested. The business before the Club will be important, and every Democrat should be present.

We would ask the attention of the public to the advertisement of J. E. Peoples, which appears in another column. Mr. Peoples keeps on hand a large stock of tinware, stores, &c., which can be bought at the very cheapest living prices. He is also a dealer in newspaper upon a large scale, and our brethren of the press will do well to give him a sample order, after which we are confident they will be his permanent customers.

The letting of the contract to build a bridge over Broadway Creek, at Brezalee's Mill, by the County Commissioners, has been changed from next Saturday morning at 11 o'clock, to 2 o'clock in the afternoon of the same day. This was done in order to allow every person to attend the Democratic Club meeting at Neal's Creek on next Saturday morning at 10 o'clock. The Commissioners request us to make this announcement.

Rev. E. R. Carwell requests us to announce that he will preach at Hopewell on the third Saturday and Sunday in this month, instead of on the fourth, as heretofore announced. The members of the church are requested to attend on both days. Deacons will be elected on Saturday, and the pastor will preach on Sabbath morning upon the subject of eternal punishment. The same minister will also preach at First Creek on the fourth Saturday and Sunday in this month. Deacons will also be elected for this church at that meeting.

Pursuant to a call made by Gen. W. W. Humphreys, the young men of the vicinity of Roberts' Church met on Saturday last for the purpose of organizing a volunteer company of Cavalry, with regular drill, and the enrolling of fifty young men for active service. The Bowling Green mounted military company was organized on Saturday, 20th ultimo, with the following officers: Captain, E. M. Snipes; 1st Lieutenant, B. F. Davis, 2nd Lieutenant, Silas Kay; 3rd Lieutenant, James F. Davis; 1st Sergeant, D. C. McConnell; 2nd Sergeant, B. W. Duckworth; 3rd Sergeant, R. A. Drake; 4th Sergeant, K. C. Dacus; 5th Sergeant, W. E. McConnell; Corporals, W. Bratcher, J. S. Rogers, T. H. Rogers, J. L. O. Garrett; Surgeon, Dr. J. G. Knight. The company has 64 members enrolled with a prospect of many more. The next meeting of the company will be held on Saturday, 12th instant, at 2 o'clock p. m. Every member is earnestly requested to attend. The citizens are requested to meet at the same time and place for the purpose of organizing a Democratic Club, of Hopewell township, as well as three other townships, corner, to any of the regular township Clubs. It is thought best to organize at Bowling Green so that all members in this community can attend.

COLUMBIA, S. C., Feb. 5, 1878.

MR. EDITOR: A deputation of citizens from Anderson called on our representatives last evening, and, after conference with Col. Orr, agreed with him that by bill extending the provisions of the stock law to the entire County would be brought up this morning in the Legislature, and would become law within the next eight or ten days. We make this statement for the information of the farmers, who can make their arrangements in conformity with the law.

## ROSEA PATH.

The Hotes Path Club meets on Saturday afternoon next, when an election of delegates to County Convention will take place. The decision of the Supreme Court, and the consequent resignation of Judge Cooke, of this Circuit, has been the general topic of conversation since its occurrence, and nearly all the people favor his re-election to the bench. The Gruber Family gave another entertainment at this place, on Monday evening last, to a rather small audience. Those who attended say they got their quarters' worth. Rev. J. F. Gilbert, of Abbeville, preached in the Presbyterian Church on Sabbath last. This congregation is making efforts to have preaching once a month hereafter.

## A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingling in a single day—there is no wonder that colds, coughs, and other ailments are so frequently taken from us by neglected colds, but the deaths resulting directly from this cause. A bottle of Bosche's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death. This medicine relieves any case of dyspepsia, constipation, indigestion or liver complaint, in the world. Regular size bottles, fifty cents; trial, 10c, regular size, 75c.

## A Very Good Reason.

The reason why only one sample bottle of Bosche's German Syrup is sold in the live of the same person, for ten cents, by our Druggists, Simpson, Reid & Co., is because of the enormous expense of importing the medicine into this country; but as there are fifty doses in the large size bottle, it seems two cents per dose is cheap enough after all for a medicine three cups dyspepsia and liver complaint. All who have not had a sample bottle are entitled to one for ten cents at Simpson, Reid & Co.'s Drug Store. This dose relieves any case of dyspepsia, constipation, indigestion or liver complaint, in the world. Regular size bottles, fifty cents; trial, 10c, regular size, 75c.
